

2017 ASI Mechanical Seal School Prospects:

We have scheduled our *ASI Mechanical Seal School* for Monday & Tuesday, June 12-13, 2017. ASI will host this informative two day seminar at the Hilton Baton Rouge Capitol Center, 201 Lafayette St. Baton Rouge, LA. 70801. The hotel is in the heart of downtown Baton Rouge where you will find several restaurants, entertainment and local culture in the evenings while you are visiting. The seal school will start promptly at 8:00am, Monday morning, June 12th and will conclude at 4:00pm Tuesday afternoon, June 13th. Please make sure your plans allow you to stay until Wednesday June 14th so you can attend our appreciation/certificate dinner Tuesday evening.

For the comfort of our attendees, ASI has arranged a block of rooms at the Hilton Baton Rouge Capitol Center. These rooms will be available at a corporate rate of \$139.00 per night, until June 2, 2017. After this date you may still be able to reserve a room subject to availability, but our block of rooms will no longer be held at the negotiated price. For convenient reservations call, 800-955-6962 or 225-344-5866 and be sure to mention the “**Advanced Sealing International Room Block**”. Should you have any problems making your reservations please ask to speak with Leslie Murry, she can also be reached by calling his direct line at 225-906-5756. There is a fast, convenient shuttle available between the hotel and airport for your convenience.

We have had many requests from new and existing distributors about attending this seal school; so please fill out and send in the attached registration form as soon as possible. We are limited in the number of attendees we can accommodate so don't hesitate to sign up now!

We look forward to seeing each of you at the *2017 ASI Mechanical Seal School*. Our goal is to improve your sales by expanding your knowledge of mechanical seals. Attached you will find the registration form and the itinerary for our two day seal school.
